### **Grand Challenge Agenda for Entomology Board of Advisors**

April Burke is President and Founder of Lewis-Burke Associates LLC, a leading full-service government relations firm specializing in advocating for the public policy interests of institutions of higher education and other research and education organizations.

Prior to establishing Lewis-Burke Associates, Ms. Burke gained 30 years of experience in legislative and regulatory analysis through positions both on Capitol Hill and in the nonprofit sector. She was a vice president at Hill and Knowlton, a worldwide public affairs and public relations firm; project director and legislative counsel for the Association of American Universities; and an attorney with the law firm Ballard, Spahr, Andrews, and Ingersoll. She received a BA from Stanford University and a JD from George Washington University National Law Center.

As President of Lewis-Burke Associates, Ms. Burke provides a hands-on approach to client management and plays an active role in the oversight of all clients' government affairs strategies. She is a leader in the science advocacy community and currently serves on the Board of Directors of the Association for Women in Science. In 2015, she received the Career Excellence Award from the Association of Public and Land-Grant Universities.
