AGENDA OVERVIEW

Addressing the North American and Pacific Rim Invasive Insect and Arthropod Species Challenge

Hosted by the Entomological Societies of America, Canada, and British Columbia with financial support from Syngenta, Bayer CropScience, and Corteva AgriSciences

This draft agenda is provided as a courtesy. In an effort to save paper, the full agenda, including speaker names, bios, and topic details is only online and may be found at https://entomologychallenges.org/invasive-summit-agenda/.

Friday, November 9

- Panel: The Invasive Arthropod Forestry Pests of British Columbia: A Case Study for a Broader Challenge? (3:30 pm)
- Panel: Policy Considerations of the Trans-boundary Arthropod Forest Pests Challenge (4:15 pm)
- Panel: Issues and Challenges Regarding Invasive Forest Insects (5:30 pm)
- Reception (6:30 pm – 8:00 pm)

Friday, November 10

- Breakfast on your own: informal coffee networking session (7:30 – 8:00 am)
- Welcome (8:00 am)
- Sponsor address: Corteva Agrisciences, Agriculture Division of DowDuPont (8:10 am)
- 2-part Keynote Presentation: The Views from Washington and Ottawa: The Invasive Species Challenge from Both Sides of the Border (8:20 am)
- Presentation: Ground War: The View from Inside Port Operations (9:00 am)
- Presentation: Funding Solutions Through Innovation (9:20 am)
- Sponsor address: Syngenta (9:40 am)
- Panel: Challenge Areas (9:50 am)
- Break (10:20 am)
- Perspective Talks: No New Invaders (10:40 am)
- Presentation: A New Paradigm: Challenges and Opportunities in a Dynamic Political Landscape (11:20 am)
- Presentation: Invasion Biology: Science and Policy (11:40 am)
- Morning Wrap Up (11:50 am)
- Lunch (12:00 pm)
- Breakout Sessions on Critical Issues (1:00 pm)
- Break (2:30 pm)
- Sponsor address: Bayer CropScience (2:50 pm)
- Moving from Discussion to Impact (3:05 pm)
